## A letter from the Superintendent

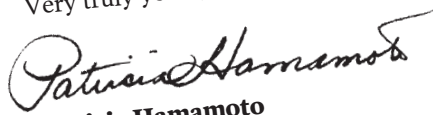

Dear Parents,

The annual Hawaii Parent Guide is a wonderful source of educational information, activities, and programs. The guide assists our schools in reaching out to parents, families, and the community, and positively supports our efforts to improve student success in Hawaii's public schools.

We invite you to be a part of your child's education by helping your child with homework, communicating with your child's teacher, volunteering on campus, or attending a School Community Council meeting. Take advantage of the many opportunities to participate in your child's school and make a difference!

Mahalo for your continued support of Hawaii's public schools.

Very truly yours,

**Patricia Hamamoto**  
Superintendent
