

# First Day of School

## 1st Sunday

Planning and preparing ahead of time before the first day of school begins now. This gives you and your child a good head start for the beginning of the school year. It is so important you prepare ahead, and not wait until the last minute.

### First time students need:

- Birth Certificate**
- Student's Health Record**  
(Form 14: Immunization, Physical Exam, TB Clearance)
- School Transcript**  
(from the last school attended)
- Affidavit**  
(if you are not a biological parent)

### Parents and students don't forget!

- ★ Know when school starts.
- ★ Get a supply list from your child's school.
- ★ Have your child meet all his/her dental and medical appointments before school starts.
- ★ Check your child for head lice (uku) before they start school. Treat if necessary.

Hawaii Parent Information Resource Center wants to acknowledge the Chuukese Special Advisory Committee, especially the following volunteers without whose help the 7 Sundays would not be possible.
